## **Bridging the Gap Between Past and Present**

The New Oxford World Classics translations are not mere updates of existing translations. They are transformative works that seek to bridge the gap between the past and present. By employing contemporary language and idioms, these translations make the classics more relatable and engaging for modern readers.

This is not to say that the New Oxford World Classics translations deviate from the original texts. On the contrary, they strive to capture the essence and spirit of the originals while making them accessible to a broader audience. The translators have carefully balanced the need for accuracy with the desire to create translations that are fluid, readable, and enjoyable.

## **A Diverse and Inclusive Literary Landscape**

The New Oxford World Classics translations are not only linguistically accessible but also inclusive and diverse. The series features works from a wide range of cultures, time periods, and genres, ensuring that readers have access to a truly global literary landscape.

By including voices that have been historically marginalized, the New Oxford World Classics translations contribute to a more inclusive and representative understanding of world literature. Readers will encounter works from Africa, Asia, the Americas, and beyond, challenging traditional notions of literary canon and expanding the boundaries of our collective literary heritage.

## **A Literary Odyssey for Modern Readers**

The New Oxford World Classics translations are more than just new editions of old books. They are an invitation to rediscover the timeless power of literature in a fresh and vibrant form. Whether you are a seasoned reader of classics or a newcomer to world literature, these translations offer an unparalleled opportunity to experience the transformative power of great books.

Through the New Oxford World Classics translations, readers can embark on a literary odyssey that spans centuries, cultures, and continents. They can witness the birth of civilization in ancient Greece, explore the complexities of human nature in Shakespeare's plays, and journey to the far corners of the globe with intrepid explorers and visionary thinkers.

The New Oxford World Classics translations are a transformative force in the world of literature. They bring beloved classics to life in contemporary language, making them accessible to a new generation of readers. By expanding the literary landscape and embracing diversity, these translations contribute to a more inclusive and representative understanding of world literature.

Whether you are a seasoned reader or a newcomer to the classics, the New Oxford World Classics translations offer an unparalleled opportunity to explore the timeless treasures of world literature in a fresh and engaging new form.
